

ANG_6e unit 4 Answer sheet

TOPIC: THE HOME

TITLE: At home!

OBJECTIVE: I can talk about home and household activities

A- I CHECK

I can ask: → What time is it? - What date is today? - When is your birthday?	I can say: → Sunday, Monday, Tuesday, Wednesday, Thursday, Friday, Saturday. → January, February, March, April, May, June, July, August, September, October, November and December.	I can write: a quarter to three - June the twenty sixth
--	--	--

C- I PRACTICE

I-I put in "there is" or "there are" in front of the nouns

- 1- There is a garage in the backyard.
2- There are two windows.
3- There are four persons in the front yard.
4- There is a gate in front of the house.

II-I learn about the household activities/daily chores now

I. Now I look at the picture above and I put following the number of the picture the corresponding daily chores

1-make the bed	5-wash dishes
2-cook lunch	6-fix broken things
3-take out the garbage	7-go shopping
4-clean the house	8-do the laundry

II. I check (✓) the activities I often do and write an (X) next to the chores I never do

-Clean my room	✓
-do the laundry	✓
-take out the garbage	X
-go shopping	X
-wash dishes	✓
-make the bed	✓
-cook lunch/dinner	X
-fix broken things	X

III. Now, I put my answers in sentences. I follow the example.

→ I often clean my room, but I never take out the garbage.

→ I often do the laundry, but I never go shopping.

→ I often wash dishes, but I never cook lunch.

→ I often make the bed, but I never fix broken things.

Grammar

I choose the right form of the verb

1- → My mother **cooks** breakfast and Zoky **washes** the dishes.

2- → Father **fixes** broken things and I **clean** the room

3- → My mother and I **go** shopping every Saturday

D- PRODUCTION

Task 1

I make two (2) sentences describing my house with "have got"

→ 1- My house has got a fence.

2- My house has got four windows.

Task 2

I put the verb in brackets in the present simple tense

This is what we **do** at home every day. Early in the morning, my mother **cooks** breakfast and I **clean** my room. Then Erika, my sister, **goes** shopping and Erik, my brother, **takes** out the garbage. By seven o'clock, we **go** to school.

Task 3

I build at least three sentences from the table

1. Marie goes shopping.

2. Eliane and Elysé wash dishes.

3. Victor goes to school.

4. Victor goes shopping.

5. Marie washes dishes.

6. Marie goes to school.

7. Eliane and Elysé go to school.

8. Eliane and Elysé go shopping.

9. Victor washes dishes.

Task 4

I talk about my family's responsibilities. I write four sentences.

- 1. My father fixes broken things.**
- 2. My mother cooks dinner.**
- 3. My sister cleans the room.**
- 4. My brother takes out the garbage.**
