Dear Mum and Dad,

I am glad to write this letter and hope a good health for you. What's news?

Firstly, I'd like to tell you that my study is going well. I am very good at French, English and Malagasy as well but I have some struggle in Mathematics.

Otherwise, I don't have enough copy-books and pens. And also, I need to buy Mathematics and Geography books. So, could you send me 50,000Ariary for buying these school-things?

I really miss you my dear parents, give my best regards to the family members.

Many kisses,

Tiana
